

January 2018

Dear Seton Catholic School Families,

Thank you for your interest in Seton Catholic School. Whether you are a returning member of our school community or a prospective new registrant, we are blessed to have the opportunity to educate your child in a faith-based Catholic environment, with a rich academic curriculum.

The attached packet contains all the information that you will need to complete registration for our Preschool, Kindergarten through Grade 6, and Wrap-Around Care programs. Please note that our Extended-Day program is now part of our Wrap-Around Care Program. This was done to give our parents even more options!

Our Preschool program offers half-day, school day and full day programs with Wrap-Around Care for 3 and 4 year olds. Our curriculum incorporates the philosophy of learning through inquiry and play with the Science Start! program that teaches literacy, language and math through science. This balanced approach allows young children to explore, question, and discover in a stimulating environment while explicitly teaching the readiness, knowledge and skills necessary for kindergarten.

Our kindergarten through sixth grade elementary school provides an enriched, rigorous academic program in the finest tradition of Catholic education. Our patroness, St. Elizabeth Ann Seton, created the first Catholic schools in the United States. Her work continues to resonate in each of our classrooms. Seton guides students in the love and service of others and educates the total child – spiritually, intellectually, emotionally and socially.

Additionally, a Wrap-Around Care option is available to all PreK – 6 students who require child care before/after school. This service is available from 7AM until 6 PM each day.

***Seton offers the longest AM/PM Wrap-Around Care (5.5 hrs/day) in the diocese!**

While our returning parents will notice some changes in the registration process, most forms have remained the same. Seton will continue to utilize FACTS as our billing service. A separate letter is included, and we ask that you read it carefully. After registering your children, you will be sent a billing option letter from our business office for you to enter online.

If there are any questions that you may have, please call the Seton Catholic School office at 473-6604 or Mary Kase, the finance bookkeeper for Our Lady of Lourdes † St. Anne Parish cluster at 244-3010.

Thank you and God Bless.

Patricia Selig
