

Teacher Experiences

Last year we featured teacher experiences as part of our silent auction. We are beyond excited to announce Seton's amazing faculty and staff have graciously donated their time and creativity again this year to help raise money for our beloved school. These individuals define superheroes and we know your children will be excited to share in a new experience with their favorite teacher or staff member. Look for the special table at BLAST this Saturday and let's show our teachers some love by bidding on the wonderful experiences below.

Mrs. Payne – "Personal Lab Experience" – Your child and up to 3 friends can stay after school until 3:30pm and complete a lab of their choice. They can bring an idea from home or choose from one of my lab books (even Gross Science!) I will provide a drink and snack as well.

Mrs. Figueiredo – "Assistant walker/rider Monitor" – Join me at dismissal from 2 – 2:30 to help supervise the walker/rider dismissal and to hand out a special treat to all walker/riders that day. Then you and I will walk to Dunkin Donuts and enjoy our own special treat. Mom and Dad can pick up at 3:30pm. (there are two of these experiences available)

Mrs. Bintz – "Springtime at the Park" – enjoy time at the park this spring with me and my children. We will play and go out for ice cream. The winning student may bring 1 or 2 friends with them on the excursion.

Mrs. Samsonik – "After school craft time" – Your child and 3 friends will craft and snack with me afterschool one day until 3:30pm.

Mrs. Koerner – "After school picnic" – The top 4 bidders on this package will enjoy pizza and lunch with me on the lawn during an after school picnic.

Mrs. Roney – "Custom Portrait" – I will create a chalk pastel portrait of a student. The portrait will be fully matted and framed. The student may come and pose during lunch or come to my personal art studio in the Hungerford Building.

Mrs. Roney – "One Week of Art Camp" – I am donating a spot for one child in my summer art camp at Seton. The dates are to be determined so this package is best for a family with flexibility.

Mrs. Fiorica – "A Book Tasting" – One student and 3 friends will preview 4 books and choose one of them as their "main dish." Students will then begin "tasting" their book: reading, discussing, and making connections. After their tasting, they will take their books home to keep. This "book tasting" will occur over 3 lunch periods to complete. Any student in grades 1-4 can win BUT that student and the friends they choose to join them MUST come from the same grade as to keep reading material appropriate for all!

Mrs. Lewis-Kelley – “Come to the LK Cinema” – Your child and up to 3 friends may choose a movie to enjoy on the “big screen” in my classroom one day after school. You also get to pick the treats and drinks while you enjoy the show!

Mrs. Selig – “Principal for the Day” – Experience Mrs. Selig’s busy life! As Principal for the Day(PFTD), the winning student will come dressed in principal attire and begin their day by making morning announcements and leading morning prayer. The winner will tour our school in the office capacity, stop in to say hello to various classes, and conduct a teacher observation(student chooses the teacher). The PFTD will make important phone calls and send emails to their parent(s). During lunch, the PFTD will call the classes to line up and give directions. After our busy morning is over, the PFTD will be treated to lunch at Panera’s and then re-join their class to finish out the day. As a memento of your hard work, the PFTD will receive an official folder complete with their own business card, principal ID, copy of their teacher observation, and a pass to cover any missed classwork AND that day’s homework. What a memorable experience this will be! (there are two of these experiences available)

Mrs. Cantwell and Mrs. Bauer – “Springtime walk and treat” – One child and a friend may join us for an afternoon walk in late May or early June for an after school treat of your choosing (frozen yogurt or donuts).

Mrs. Stafford – “Bus Announcer for the Day” – Winning students will be able to be on the afternoon announcements and call buses and walker-riders at the end of the day! Get a small taste of Seton office life! Students will either need to be a walker-rider that day or participate only until their bus is called. (there are 5 of these experiences available)

Mrs. Fragale and Sr. Caroloyne – “Lunch with the Teachers” – Your child and three friends can have lunch with us. You get to choose what we eat --- pizza, subs, or something else!

Mrs. Thomasulo and Mrs. Walsh – “Lunch at Panera’s”- Mrs. Thomasulo and Mrs. Walsh will take one student plus a friend to lunch at Panera’s during their regularly scheduled lunch time. (there are two of these experiences available)

Mrs. Stafford and Mrs. Johnson – “Manicures and Lunch” – The top 4 bidders will join their two favorite office ladies at a local salon where they will be pampered with a manicure and then have lunch at a local eatery! On a date TBD, perhaps a weekend, that will work for all parties!

Miss Garbach – “Springtime walk and treat” - After school a student may choose two friends to join them to walk to Panera for a special treat or smoothie.

Miss Solano – “Trip to Twelve Corners” – After school the winner and one friend will join me on a walk to Twelve Corners where the students may pick a treat of their choice (Starbucks, Panera, Yotality etc). We will arrive back to Seton by 3:30 for parent pick-up.

Mrs. Wilsey – “Crafting Session and Lunch” – You and two friends will enjoy a fun crafting session while having lunch in the classroom with me.

Mrs. Moonan and Mrs. Fragale – “Pizza Lunch” – Up to 8 students will join us for a pizza lunch in one of our classrooms (top 4 bidders for Mrs. Moonan and top 4 bidders for Mrs. Fragale).
