

Greetings First Grade Parents!

On **Tuesday, May 15**, our First Graders will take part in a service project to benefit Wilmot Cancer Institute. There are over 8,000 people diagnosed with cancer in our region each year and many of our families, friends and schoolmates have been touched in some way by this disease and treatment center. Thankfully, more and more people survive and live better lives each day, due to the treatment and care received at Wilmot.

Our First Graders will help through a **Dress Down for Wilmot Day!** Each child can bring in a **\$10 donation**—or more if you would like—to dress down. The children will receive a t-shirt to wear and can participate in a check presentation to representatives from Wilmot. At the ceremony, the children will present a large—in size and, hopefully, amount—check and have a group photo taken. This is great opportunity to empower the children to make a difference in the lives of others and demonstrate Seton's devotion to love and service.

Please send in your child's contribution and the attached form with the information filled out by no later than Tuesday, May 1st.

Thanks for supporting our First Grade service project and for helping cancer survivors in our community!

NAME: _____

CONTRIBUTION AMOUNT: _____

SHIRT SIZE (please circle): *Child* S M L *Adult* S M L XL

My Child has permission to participate in a group photo that may be shared with the community through traditional pictures or social media.
