

Dear Seton 6th Grade Families,

I hope that you all have a fantastic summer vacation and enjoy God's blessings!

This letter is to inform you of the summer reading assignment.

★ All students will be required to read a book of their choice over the summer ***that is in the genre of*** ***Mythology***. (Anything EXCEPT Percy Jackson series books please!) Some criteria for the book: ★

- Should be at least 200 pages
- Should be a chapter book
- Please steer away from graphic novels for this particular assignment - I would like it to be in a standard novel format
- If you can find it as an audio book, great! But the same criteria apply
- Must be in the genre of Mythology – Roman, Greek, Egyptian, Norse, Chinese, etc.
- NO PERCY JACKSON SERIES PLEASE

In addition to reading their book, I would like students to ***create a presentation that gives a brief summary of the book***. Pictures are welcome and help to make the presentation visually appealing!

We will be using this as a discussion starter for the beginning of the year and it will count for a grade. The presentation is **DUE ON MONDAY, SEPTEMBER 14TH**. This is not an optional assignment. If the presentation is not done, your child will be responsible for completing the work in addition to any other work that may come home at the beginning of the school year.

The assignment **MUST BE COMPLETED USING GOOGLE SLIDES**. Your children should know their passwords and logins as they will remain the same.

After you have read this email, please reply so that I know you've received it and are aware of the summer assignment.

Thank you for a fantastic year! I pray that you all have a safe, low-stress summer!

Sincerely,

Mr. Terranova
