education with a
rich assortment
of learning
programs;
offering rigorous
standards, and
extracurricular
activities. We
guide students in
the love and
service of others.*

January 23, 2020

Dear Parents/Guardians,

For many years parents have asked us to streamline our registration process. Having to re-fill out the same information on the same registration forms every year seemed antiquated and cumbersome. This year we have made strides to make this more seamless!

Beginning this year, registration for the 2020-2021 school year will now be an auto-enrollment process. Every student in grades Preschool through 5th will be automatically re-enrolled unless we hear differently from you, the parent/guardian. Preschool schedules will be verified with you after registration. Facts payment options will also be verified with every family following the automatic registration.

The **only paperwork that you are required to complete** is the **financial agreement** that is attached to this letter. This signed letter must be returned to the school's main office by February 28, 2020.

If you choose **NOT** to enroll for the upcoming 2020-2021 school year, you **must** communicate in writing to both the school and business offices before March 1, 2020. E-mail can be used. Send this to mary.kase@dor.org and Karen.johnson@dor.org.

After March 1, 2020, the non-refundable \$150 Family/School Registration fee will be assessed by FACTS Mgmt. Co. At this time, the one time \$50.00 fee will also be assessed for families currently using the monthly payment option.

Please note that the deadline for applying for needs-based **financial aid** through FACTs is **May 15th**. Financial aid is only available for students in grades Kindergarten through 6th grade. Those awards will be given on or before July 1, 2020.

Thank you again for choosing Seton as the best place for your children. We feel privileged to have you as part of our Seton family.

Sincerely,

Patricia Selig
