Capture the opportunity in your child's development!

SPANISH FOR THE ELEMENTARY YEARS is an educationally oriented fun and interactive program designed specifically for the K-6 elementary student. The unique six-week curriculum features foundation vocabulary introduced through games, singing and hands-on activities. Students are able to compound words and begin forming simple sentences. Classes are never a repeat! Three different sessions are offered during the school year. **New vocabulary and activities are introduced with each 6-week session!** Returning students can continue expanding their vocabulary base and new students can begin building their vocabulary base. Formerly known as CultureKids, our program uses a 5-year rotation of lesson plans! **New and returning students can join.** Research studies have indicated the benefits of introducing foreign language skills at an early age! Join the fun!
