

## **Holiday Giving with Dimitri House of Rochester**

Each year there are many people who struggle to provide the Christmas that they want to for their family. Due to the extenuating circumstances of this year there may be even more families who are finding it hard this holiday season. Together, we can help make a difference for a few local families by contributing food and presents to make their holiday a special one.

Any contribution no matter the size is appreciated. If you are able, please look at the signup's below (there is one for each family that we are hoping to help) and bring in your donation by 12/17. Thank you!

**If your gift is going to a specific family, please indicate family name.**

Family 1
