

Seton Chess Club Registration Session II

This is the final session of Chess Club that will be offered this year. It is not necessary to have participated in Session I in order to join Session II. Chess instruction for students Kindergarten through Sixth Grade will be offered through the Rochester Chess Center using the online chess platform lichess.org and the online video conferencing tool Zoom. Club meetings will be a combination of instruction and game play. ALL skill levels will be accommodated. Players completely new to chess are welcome!

The only thing players will need is access to a device with internet connection. Each player will need their own device in order to play their games, receive comment, and to afford instructor analysis for recap and feedback next meeting. Parental/caregiver log-in assistance for younger players is recommended.

The **SIX** online meetings will be 3:30-4:30pm **FRIDAYS: 3/12 3/19 3/26 (NOT 4/2 Spring Break) 4/9 4/16 4/23**
