## *Mission Statement*

The Diocese of Rochester Catholic Schools offer families an authentic Catholic education rooted in the Gospel of Jesus Christ and the teachings of the Roman Catholic Church.

Our schools:

- ***Guide*** students to be disciples who know and live the Catholic faith;
- ***Inspire*** a learning community to foster academic excellence; and
- ***Empower*** young people to fulfill the two great commandments of Jesus Christ by loving God and being service-oriented, responsible, and self-disciplined neighbors to others.

## 1.00 WELCOME

Thank you for choosing to be a part of the Seton Community! On behalf of the faculty and staff, I'd like to extend our welcome to your family. Please know we are here to work with you to ensure the best possible environment for every child. We strive to meet each student where they are, academically, socially, spiritually, and to support them on their journey to becoming their very best version of themselves!

The policies and procedures included in this Seton Catholic School Handbook are intended to create a safe school environment that promotes spirituality, academic success, respect for others, and order.

This handbook may be accessed on the Seton Catholic School website and parents may obtain a printed copy in the Main Office. The Principal reserves the right to make changes to this handbook. Those changes will be communicated through the Principal's bi-weekly Newsletter, the Seton website, and subsequent editions of the handbook.

## 1.01 Student Expectations

By registering at Seton Catholic School, students agree to abide by this handbook and parents agree to assist their children in following the policies and procedures of the school.

## 1.02 Parent/Guardian Expectations

The philosophy of the Diocese of Rochester Catholic School community is to proclaim the Gospel message of Jesus, educate the whole child, guide students in the love and service of God and others, and integrate Christian virtues (love, faith, hope, courage, reconciliation, and justice) into the curriculum.

By registering your child/ren at a Catholic school, parents/guardians become members of the school community of students, faculty, and staff that recognizes the mission of building Christ-like presence in our schools by instilling Christian values in our young men and women who will shape our future. By registering at a Catholic school, parents/guardians agree to uphold the policies, procedures, and decisions of the school as a partner in the education of each child. This partnership obligates all of us to share in the responsibilities for the education of children by agreeing to the following oath:

- I (We) fully understand the importance of guiding my (our) children's faith development, acting as a good Christian role model, actively participating in church membership and attending weekly Mass or church services.
- I (We) fully understand the importance of attending Parent Teacher Conferences at the teacher's request, cooperating with school staff, and being present at other school events to support my child/ren.
- I (We) understand the importance of reviewing my child/ren's homework daily.
- I (We) support and work with the faculty and staff to ensure a nurturing learning environment.
- I (We) agree to volunteer for events and projects within the school year.
- I (We) will ensure that students are picked-up from school and from school events on time.
- I (We) will register dissatisfactions and complaints in a reasonable and fair way, will not gossip, and will give everyone the benefit of the doubt by assessing the facts before passing judgment. Solutions to specific classroom issues must be sought at the level of the teachers before approaching the administration. ***The school expects that students and parents/guardians are respectful of one another, the faculty, and staff, including verbal, written, and face-to-face communications. Inappropriate and slanderous comments and/or social media behavior will not be tolerated and addressed appropriately by the school principal.***
- I (We) will fulfill financial obligations to the school in a timely manner, including the payment of tuition, fees, and other expenses.

This promise is designed to implement the blessings of the Church-Family-School relationship. The Catholic school becomes a faithful atmosphere with the positive interaction of students, parents/guardians, teachers, administration, and support staff.

## **RESOLVING QUESTIONS OR CONCERNS**

The mark of a Christian society is the way in which conflicts are resolved. Virtue and respect for others demand that questions or concerns be addressed directly to those involved and not discussed with others, requires an understanding that sometimes people have to “agree to disagree”, and that they not be presented to higher levels of authority unless previous attempts at resolution have been unsuccessful.

All interaction with faculty, staff, and administration should be by appointment. Parents/ Guardians should not expect availability on a “drop-in” basis. **For the safety and security of all students and staff, visitors must report to the main office and be escorted throughout the building and abide by all safety policies and procedures set forth by the school.**

- Questions regarding classroom order, expectations, grading, and other classroom related issues should be discussed directly with the teacher to address concerns.
- General questions regarding academics should be addressed to the teacher and then the Principal.
- Disciplinary issues should be addressed with the Principal.
- Financial questions should be addressed with the Business Office.

## **PARENT/GUARDIAN VOLUNTEERISM**

We have an active group of volunteers – Volunteers are the main support system of every Catholic School. Please become involved in some capacity. The Principal expects every family will become involved in one of our celebrated events to support their child/ren and the school. As Jesus said, “I am the way and the truth and the life. No one comes to the Father, except through me” (John 14:6). In service to the children and the school, your gifts will be realized and valued.

All parent/guardian volunteers must complete the online Diocese of Rochester’s Creating a Safe Environment (CASE) for Volunteers Training (before volunteering at any event where students are present). Information is provided below:

### **Diocese of Rochester Volunteer Requirements**

The Olweus Bullying Prevention Program effectively trains our school leaders and school teachers on the latest research regarding bullying and effective methods to prevent it and address it. ## **4.00 SCHOOL CURRICULUM**

Our curriculum is unique to the individual teacher and school as it integrates our faith and includes all teaching and learning experiences. All curriculum in our schools meets and exceeds the minimum learning standard requirements set forth by New York State. Teachers are expected to use a variety of resources to devise lesson plans and tailor instruction to the individual needs of their students. Teachers of all subject areas are encouraged to collaborate to show the connection between subject areas and allow for students to apply knowledge and skills in preparation for college and careers.

Religion is taught daily as a core subject as well as integrated into all subject areas and aspects of the school day. Prayer occurs multiple times daily and the integration of religious values within other subject areas is the constant responsibility of all faculty and staff.

Shared Expectations for Excellence in Development guides curriculum and instruction in our schools. The document is available online at the Diocese of Rochester Department of Catholic Schools' website ([www.dorschools.org](http://www.dorschools.org))

## **5.00 STUDENT HEALTH AND SAFETY**

### **5.01 ADMINISTRATION OF MEDICATIONS AT SCHOOL**

Prescribed medications will only be dispensed by the school nurse, doctor, or other health professional when the “Parental Authorization for Administration of Medications in School” is completed and returned to the school. In the absence of the health care professional, there will be a designated staff member who has been properly trained to administer medication, in most cases the administrative assistant or the principal. Additional document includes a written order from a health care professional stating the drug to be given and the time and dosage. In keeping with New York State law, medications must be transported directly by the parent/guardian to the school (medications CANNOT be transported on the school bus).

### **5.02 EMERGENCY TREATMENT**

If a student becomes ill during school hours, the parent/guardian will be notified. Each year an “Emergency Treatment of Students” form must be completed and returned to the school. This form summarizes emergency contacts, medical conditions, medications, and allergies.

### **5.03 STUDENT PREGNANCY**

The Diocese of Rochester maintains a pastoral approach to ministering to the needs of female and male students involved in a pregnancy as well as to their families. Each such case will be treated individually by the Principal and Pastor/Pastoral Administrator in consultation with the family.

### **5.04 CHILD PROTECTIVE SERVICES ACT**

Under the New York State Child Protective Services Act, school personnel who “suspect” that a child coming before them in their “professional capacity” is being abused, maltreated, and/or neglected are mandated to report this suspicion to the New York State Central Register for Abuse and Maltreatment. All school faculty and administration are mandated reporters. All Diocese of Rochester Schools are legally and morally bound to make such reports and will contact the local Department of Social Services when necessary.

### **5.05 DRUG, ALCOHOL, AND TOBACCO**

Student use, possession, sale, conveyance, distribution or manufacture of controlled substances (as defined by New York Penal Law and Title 21 of the Code of Federal Regulations) and/or illegal drugs is expressly prohibited on parish, school, or diocesan (including vehicles) property. ---

School authorities (minimum of two adults) may conduct a search of a student's book bag, locker, and/or a personal search of a student when there is sufficient cause to believe that drugs, alcohol, tobacco, weapons or other materials are hidden

Local police must be called to investigate suspicion of a violation of this policy. Anyone on school premises who is taking drugs prescribed by a physician, dentist, or other licensed practitioner which may affect their ability to function in the school environment, should bring this information to the attention of the principal. Prior to the ingestion of any such prescribed medication every student must provide to the principal a written statement from the prescribing practitioner that identifies any restrictions that the medication may necessitate.

New York State Law prohibits smoking in all parish and diocesan buildings as well as anywhere on school grounds. Students may not smoke on school grounds at any time. For purposes of this policy, smoking includes the use of any tobacco products, such as lighted or unlighted cigarettes, cigar, cigarillo, pipe, bidi, clove cigarette, spit/spitless tobacco and any other smoking or tobacco product. The use of e-cigarettes and any other products containing nicotine is also prohibited.

### **5.06 WEAPONS ON SCHOOL PREMISES**

No implement that can be construed as a weapon (e.g., firearms, knives, large sticks, matches, lighters, or the like) will be allowed on school or parish grounds. Appropriate disciplinary action should be taken if a weapon is found including contacting the police, if the student possessing the weapon is considered to be jeopardizing the safety of themselves and/or others. In the event of contacting the police, the Diocese (Department of Catholic Schools and the Chancellor's office) must be notified immediately.

School officials must cooperate with law enforcement officers who come to the school for purposes of questioning pupils. Cooperation with police will be done in such a way as to protect the legal rights of each individual student.

### *Acceptable Student Use of the Computer Network and Internet Policy*

#### **Rules and Responsibilities:**

Access to the Internet will enable students to explore thousands of school-related libraries, databases, and research media. While Seton Catholic School's intent is to make Internet access available to further educational goals and objectives, students may find ways to access objectionable material as well. Seton Catholic School believes that educational benefits to students from accessing the Internet, in the form of information, resources, and opportunities for collaboration, exceed any disadvantages.

To that end, Seton Catholic School has set the following standards for acceptable student use of on-line information sources via the Internet.

1. Students are responsible for good behavior on school computer networks, just as they are in the classroom. Communications on the network are often public in nature. The Internet network is provided for students to conduct research and communicate with others as a regular part of the curriculum. Access to Internet network services is given to students who agree to act in a responsible manner. Parental permission is required, and access is a privilege - not a right.
2. Network administrators and teachers may review files and communications to maintain system integrity and ensure that users are employing the system responsibly. Network storage areas will be monitored regularly. Users should not expect that files used or stored on school computers or servers would always be private.
3. Access to information will be honored within reason. During school hours, teachers will guide students toward appropriate materials. Outside of school, families bear the same responsibility as they would when guiding their children with information sources such as books, periodicals, television, telephones, movies, radio, and other potentially offensive media.
4. The following list describes behaviors and/or actions that are not permitted. The principal, as school administrator, has final authority to determine what behaviors and/or actions are unacceptable:
  - Sending, displaying, or downloading offensive messages or pictures;
  - Using obscene language;
  - Harassing, insulting, or threatening others;
  - Damaging of computer systems or computer networks;
  - Violating copyright laws;
  - Submitting documents from the Internet as a student's personal work;
  - Using another person's sign-on and/or password;
  - Trespassing in someone else's folder, work, or files;
  - Intentionally wasting limited resources;
  - Using the network for commercial purposes;
  - Revealing a personal phone number, name or address of one's self or another;
  - Any other form of cyber bullying.
5. Violations will result in loss of access as well as other disciplinary action as determined by the school principal.

**7.02 USE OF ELECTRONICS – CELL PHONE AND OTHER ELECTRONIC DEVICES**

Neither the Diocese of Rochester nor the school is responsible for any electronic items brought to school; including cell phone, tablets, or any digital equipment. All electronic communications devices are subject to the Acceptable Use of the Computer Network and Internet policy.

- At Seton Catholic School, it is recommended that all personal electronic devices be left at home. This includes cell phones, tablets, smartwatches, or any digital equipment. The school is not responsible for any of these items.
  - If they are brought to school, they must remain stored away in the student's backpack for the entire day.
  - If a personal electronic device interferes with the student's school participation, it will be turned into the principal and the parents will be called to pick it up. The device will not be released to the student.
