

Seton Approved Peanut Free Snack List 21/22

To ensure the safety of every student a peanut free snack list has been developed and reviewed by health professionals. This list should be used when parents provide food items for celebrations or snacks to share with class. Also, homemade treats are no longer allowed to be shared due to the continued threat of COVID-19 to our unvaccinated students.

Treats brought to school that are not on this list will be refused or sent home uneaten with the child at the end of the day. Due to the continued threat of COVID-19 to our unvaccinated students all treats to be shared must also be individually wrapped.
