Each year, Seton students participate in the “Seton Marathon” by gathering pledges from family, friends, and neighbors for the Parent Teacher Association (PTA). Every student receives one dress down pass for their pledge and one pass for every \$20 raised above the **minimum pledge amount of \$65**. For families, we will use the total donation amount for the family and send home the corresponding number of dress down passes, rather than using each child’s individual amount (i.e. if your two children send in a total of \$130, you will receive a total of five dress down passes – instead of one each).

On Thursday, October 7, 2021 the students will honor their pledges by walking around Seton Catholic School (for K-5), and through the neighborhood for 6th graders, showing unity and support for each other and the school that provides them with an enriched education and so much joy.

Marathon funds support many PTA events, including Kindergarten Celebration, First Communion Celebration, Mother’s Day Tea, Donuts with Dad, Field Trips, 6th Grade Godspeed, Teacher Appreciation Lunches, Classroom Enhancements, and Family Breakfast. We will maintain regular communication related to all PTA sponsored events.

As always, this event would not be successful without the help of our parent volunteers. Please consider one or more volunteer options by following this link: [Seton PTA Signup Genius](#).

You can share the below information with family and friends, requesting pledges for this important PTA fundraiser.
