### Program Info:

Welcome to our family, and stop waiting on a miracle! Join us on stage this spring as we explore a range of hit Disney and Pixar stories including: Encanto, Toy Story, Monsters Inc, Finding Nemo, and many more. While mainly focusing on the newly popular ENCANTO, students will not be allowed to talk about Bruno... but we certainly can sing about him!

Students will learn songs and inspired dances from a range of these films including: The Family Madrigal, You've Got A Friend In Me, Life Is A Highway, Remember Me, and of course We Don't Talk About Bruno. Most importantly, the class will explore the storytelling techniques and discuss the unique characteristics in a Pixar and Disney film and how they have evolved over time.

The class will conclude with a showcase for parents, featuring inspired group songs, dances, and scenes from the films, and each student will have a featured portion of the showcase. All students who sign up will be cast in the program, no one will be turned away!

At auditions, students will be taught an excerpt from a song to sing & a short dance combination. *Students do not need to prepare anything before attending auditions.*

**Program led by OFC Creations Theatre Center staff at Seton Catholic School**
