

Mark Your Calendars for BLAST 2022 Events

It is with great enthusiasm that the Seton BLAST Committee announces the 28th Annual BLAST Gala– themed *Seton Soirée*–will be back in person for 2022! Mark your calendars and reserve your babysitters for the evening of Monday, June 20th. A tent in the courtyard of Max of Eastman Place will be our home for an evening of food, drinks, auctions, raffle-drawings and music, all in the heart of the action of the Rochester International Jazz Festival!

Making its debut to the BLAST roster of events for 2022, is the *BLAST Family Carnival*. This come one, come all, family-friendly event will feature carnival games run by our 5th and 6th Graders, prizes, food trucks, music and a silent auction of the kid-friendliest baskets and items. Save the evening of Friday, June 3rd for a fun and games celebration for a good cause–Seton!

For the nearly three decades of BLAST, we have been able to gather and raise funds to support academic excellence and faith-filled learning for Seton students. Whether investing in technology, capital improvements, ongoing professional development for our faculty or addressing the school community's greatest needs when they arise, BLAST financial resources make a difference in our children's day-to-day school experience!

In the coming weeks, you will receive communications from both your class liaisons and the school office about how you can help make our BLAST events a success. Whether through a family or corporate sponsorship, contributing to your class' raffle package, purchasing and selling raffle tickets or attending the *Seton Soirée* and *Family Carnival*, there are ways for everyone to get involved, celebrate and raise some funds for our kids!

If you have any questions or would like to get involved on the BLAST Committee–whether for the *Seton Soirée* or *Family Carnival*–please feel free to contact Shannon Hansford at shansford78@yahoo.com.
